

AGRICULTURE DEPARTMENT

Exhibits should be selected for type, uniformity, quality, and maturity. Do not select the large over-grown specimens nor the small, but those suitable for marketing purposes. The following rules will govern the exhibits:

1. All exhibits must be raised by the exhibitor.
2. Lots 1 through 12 one exhibit per class/lot per exhibitor.
3. Entries shown in collective exhibits from local townships and farm exhibits can also compete for individual premiums but must be so entered.
4. All exhibits must be true to entry as to variety and classification, or otherwise they must be so changed by the judge and superintendent.
5. This class is open to Cass County products only.
6. Seed and plants maturing later than Fair Week may be exhibited from last year's crop.
7. In Lots 5-12, any standard varieties not listed may be exhibited to compete for premiums.
8. All fruit must be properly named in order to compete for the premiums.
9. All specimens shall be in their natural state and be free from worm and insect injuries.

Consult the Guide, 4-H 226 Selecting and Preparing Vegetables, Herbs and Fruits and Exhibit, available at Extension Office.

***Note: the number of vegetables in exhibit may be different in open class than in 4-H

Class 1 - THRESHED GRAINS AND SEEDS, 1 PINT

- Lot 1. Hard Winter Wheat
- Lot 2. Milo
- Lot 3. Alfalfa
- Lot 4. Bluegrass
- Lot 5. Brome Grass
- Lot 6. Red Clover
- Lot 7. Reed Canary Grass
- Lot 8. Oats
- Lot 9. Soybeans
- Lot 10. Sudan Grass
- Lot 11. Sweet Clover
- Lot 12. Timothy Grass
- Lot 13. Wheat Grass
- Lot 14. Other grasses

Class 3 - SHEAF DISPLAY

Sheaf grains and tame grasses should not be less than three (3) inches in diameter at the middle band. Sheaves of wild grasses should not be less than one inch at the center band. Forage stalks should retain their foliage, but small grain sheaves should be stripped of leaves. Sheaves of sorghum should not be stripped of leaves.

- Lot 1. Alfalfa
- Lot 2. Barley
- Lot 3. Bluegrass
- Lot 4. Brome Grass
- Lot 5. Crested Wheat Grass
- Lot 6. Forage Sorghum
- Lot 7. Milo
- Lot 8. Oats
- Lot 9. Red Clover
- Lot 10. Reed Canary Grass
- Lot 11. Rye
- Lot 12. Soybeans
- Lot 13. Sudan Grass
- Lot 14. Western Wheat Grass
- Lot 15. Wheat
- Lot 16. White Sweet Clover
- Lot 17. Wild Grasses (hay)
- Lot 18. Yellow Sweet Clover
- Lot 19. Other Grasses

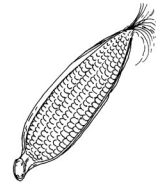

Class 3A - GRASS COLLECTIONS

- Lot 1. Collection of 4 tame grasses
- Lot 2. Collection of 4 wild grasses

Class 2 - CORN (This summer's growth. Entry consists of 4 husked ears.)

- Lot 1. Regular size Indian Corn
- Lot 2. Miniature Indian Corn
- Lot 3. Yellow Sweet Corn
- Lot 4. White Sweet Corn
- Lot 5. Yellow Popcorn
- Lot 6. White Popcorn
- Lot 7. Yellow Field Corn
- Lot 8. White Field Corn

Class 2A - FIELD CORN (Single Ear)

1st, 2nd, and 3rd Place Ribbons

Largest and best single ear, any variety, to be judged 50% for size and 50% for quality. Each ear must be over 9 inches long.

Class 4 - STALK DISPLAY - Entry is 4 stalks with foliage.

Ears of corn should be husked back for display.

- Lot 1. Regular size Indian Corn
- Lot 2. Miniature Indian Corn
- Lot 3. Yellow Sweet Corn
- Lot 4. White Sweet Corn
- Lot 5. Yellow Popcorn
- Lot 6. White Popcorn
- Lot 7. Yellow Field Corn
- Lot 8. White Field Corn
- Lot 9. Grain Sorghum (milo)

Class 4A ONE STALK PER SAMPLE

- Lot 1. Tallest stalk of corn (cut at ground level)
- Lot 2. Stalk of corn with most ears
- Lot 3. Grain sorghum (milo), best 4 heads.
